

BUILD YOUR OWN ENTREPRENEUR EXPLORERS PORTFOLIO

Guide others through the process of exploring business ownership - with the training, tools, network, and support to build your success.

THE PLATFORM BEHIND YOUR BUSINESS

LEARN

Master the step-by-step exploration process—from finding prospects to guiding clients toward clarity.

NETWORK

Connect clients with a nationwide network of established franchise partners ready to grow.

TOOLS

Use CRM, coaching, personal branding, lead generation, and funding resources to build your business.

EARNING POWER

Work full time or part time and earn placement fees while helping others achieve business ownership.

LOW-COST BUSINESS MODEL

Low cost to get started, very low operating costs, and strong high-margin potential.

SIGNIFICANT EARNING POTENTIAL

Earn significant placement fees and build full-time income or supplement your current earnings.

TRAINING: NO EXPERIENCE NEEDED

Comprehensive startup training plus ongoing development gives you a proven path forward.

ONE-ON-ONE COACHING

Personal support helps you master the process, stay organized, and keep moving forward.

MODERN BRANDING AND TOOLS

Professional branding, a personal webpage, CRM, lead generation, and client funding resources.

BUILD YOUR OWN PORTFOLIO

Run an independent business full time or part time while developing your own business portfolio.
